Tender Notice

Terms of Reference (TOR) for engaging an individual consultant to support GIZ/MNRE in need-based research activities and sectoral assessment

The Access to Energy component of the Indo-German Energy Programme (IGEN Access-II) is a bilateral technical co-operation measure between the Federal Ministry for Economic Co-operation and Development (BMZ), Germany and the Ministry of New and Renewable Energy (MNRE), India. BMZ has commissioned the Gesellschaft für Internationale Zusammenarbeit GmbH (GIZ) with the implementation of IGEN Access - II which aims to improve the energy supply in rural areas of selected federal states. The IGEN Access - II programme started in April 2019 and is ending in March 2022.

At this stage, IGEN Access-II is developing and preparing many projects/concepts which would directly influence its defined outcomes and impacts. To provide implementation support to Ministry of New and Renewable Energy and other active state Govt. partners, It needs deep inter-sectoral understanding and in-depth knowledge/experience of national/international market and policy trends in Renewable energy sector.

Under this context, the IGEN Access - II programme intends to engage a technical advisor (individual consultant) who is expected to support project manager(s) of the IGEN-Access-II programme and Ministry of New and Renewable Energy to scan the eco-system, research, design, set up and achieve respective deliverables, combined with effective monitoring and evaluation. IGEN Access -II is also keen to use his/her expertise as a technical back stopper for other program indicator as well as to assist the team on periodically monitor and evaluate progress of the projects.

The bidder must follow the instructions given in the Tender documents for any query/bid submission.
