

(A Utility Company responsible for Generation, Transmission and Distribution of Electricity to Karachi, Pakistan)

EXPRESSION OF INTEREST (EOI)

EOI for shortlisting/pre-qualification of Independent Engineering Firm/Consortia to provide services for conducting Heat Rate & Capacity Test of each of the six 210 MW Units of KE's BQPS-1 (1260 MW Heavy Fuel Oil and Natural Gas-Fired Conventional Steam Turbine Station) as per the requirement of the regulatory body of Pakistan i.e. National Electric Power Regulatory Authority (NEPRA).

The Heat Rate Test is required to be performed on a turnkey basis by the Independent Engineering Firm by preparing the Heat Rate Test procedures as per applicable international standards/codes and performing performance tests in coordination with NEPRA and KE for baseload and partial load operating conditions.

As per the guidelines of NEPRA, KE has decided to invite Expression of Interest (EOI) for shortlisting of eligible international/national Independent Engineering Firm or Consortia to carry out the work as above.

The Independent Engineering Firm/Consortia should have international/national reputation in independent engineering services. The Independent Engineering Firm/Consortia may form association with reputed local firm of Pakistan. The Independent Engineering Firm/Consortia should be capable of undertaking this assignment and is requested to submit EOI for the work/service required under the EOI document obtainable from the KE office as mentioned below or download the document from <https://goo.gl/VhYkef>

Please submit your EOI by email and hard copy (original) through post in a sealed envelope with the subject line "EOI for Independent Engineer's Services" to the address provided herein below, within the next 30 days. Independent Engineering Firm/Consortia will be selected in accordance with the procedure as laid down in the EOI document.
