

RESILIENT FUTURES REALISED

RENEWABLE ENERGY

EXPRESSION OF INTEREST FOR RENEWABLE ENERGY SOLUTIONS IN ORANJEMUND

1. Overview

The town of Oranjemund, located in the south western corner of Namibia, has launched a town transformation programme to diversify its economy alongside mining to ensure the town's sustainable future. Salients Limited, a Transformation Specialist Agency, has been appointed as interim agent to facilitate these opportunities.

2. Specification of the Services

Salients hereby invites reputable and qualified experts, innovators, suppliers, operators or service providers to submit their expression of interest as stipulated in the EoI Enquiry document: EoI003 Renewable Energy Solutions in Oranjemund.

3. EOI Enquiry Document

Interested parties should register and obtain a copy of the EoI Enquiry documents from the following address no later than 23 August 2019.
