

TENDER NOTICE FOR

Engaging a consulting firm to develop State Energy Action Plan, RE Roadmap and Decision Support Tool for the State of Odisha

The Indo-German Energy Programme (IGEN Access - II) is a bilateral cooperation project carried out by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) and the Indian Ministry of New and Renewable Energy. IGEN Access - II aims to improve the energy supply in rural areas of selected federal states. The programme is being implemented over a period of three years (**April 2019 – March 2024**). BMZ has commissioned GIZ with the implementation of the project. GIZ is a federal enterprise based in Eschborn and Bonn, Germany.

The IGEN-Access-II programme intends to assist state of Odisha to develop state energy database and will use the same to develop State Energy Action Plan, RE Roadmap and a Decision Support Tool in consultation with various other sectors/departments besides department of Power. This State Energy Action Plan will help the state to take long term strategic plans and strategies so as to meet their development goals. The proposed activity will also build state's capacity to understand and adopt/mainstream the advance planning process through series of training and capacity building measures. The plan is expected to cover all major sectors and development processes where any form of energy plays a key role as well as will incorporate inputs from all existing / potential policy and programmes of both state and centre. **The assignment is expected to be completed in 11 months.**

The bidding firm will have to submit the proposal in digital format / electronically – please refer to the bidding conditions and follow the instructions carefully.
